Dear Members and Subscribers,

The Editors apologise for the delay in distributing the last two issues of the Journal and to thank you all for being so patient.

We are delighted to inform you that we have new publishers and that henceforth publication of the Journal will now be carried out by the RSM Press, headed by Peter Richardson. RSM Press is the publishing arm of the Royal Society of Medicine, and currently publishes 18 other journals and 30-40 new books per year. They are currently putting arrangements in place to take over the journal. Meanwhile if you have any queries, please email rsmjournals@rsm.ac.uk

Our membership services have been transferred to Portland Customer Services, headed by Adam Marshall. PCS provide membership services on behalf of a number of learned societies and associations and have much experience in this field. Please get in touch with them (sales@portland-services.com) or one of us as appropriate if you require any information or assistance with your membership.

RSM Press will mail out Part 4 of 2008 during June so if you have not received this issue by July 1st please let us know as soon as possible.

Parts 1 and 2 of 2009 will be mailed out to members and subscribers during July.
